FOUNDER & DIRECTOR'S STATEMENT

Wow, what a whirlwind of a year! \$1.1 million in gifts, 2.8 million meals distributed, and most importantly 8,709 salvations and all because of YOU! I am honored and humbled to be on the frontlines of this awesome mission and touched by your generosity to give to the less fortunate to help enhance the Kingdom of God.

I've been given a lot of opportunity to serve others for Christ through building churches in Mexico and working in the Amazonian jungles of Venezuela, but there is no place I'd rather be than where we are currently, serving in Kenya, Cambodia, and locally here in the US. And it's all because of you! Thousands fed, hundreds met with medical checkups, 67 orphans rescued (House of Hope), and thousands professing Jesus as Lord. Through your giving, not only have we been able to give food, but we have also been able to sustain communities to live independently through building green houses, digging wells, and building churches which also act as community centers during the week.

With confidence, I can say that we have used your funds, gifts, and volunteer time with great stewardship. Thank you for being apart of our mission. For some of you it's been decades while others are just joining the family. Regardless, I can speak for our staff, our board, and our kids at House of Hope and say THANK YOU!

STEVE KASHA

Founder & CEO

"In spite of who we are, God continues to use us to affect life-change in people around the world, and that is what drives me daily." -Steve Kasha

THE CHILDREN CALL HOUSE OF HOPE "A PLACE OF HAPPINESS."

HOW TO GET INVOLVED

Serv's House of Hope Transitional Home will provide a home for those who age out of the House of Hope Orphanage.

The goal is to assist these young adults in learning basic life skills that will prepare them for independent living. It will provide a family-style setting with house parents. They will continue to be mentored spiritually, receive Christian teachings, finish high school, as well as move on to attend a University and or Technical Trade School. By the end of the year 2019, SERV raised \$32,000 of our \$102,000 goal.

DONATIONS CAN BE MADE TO SERVONE.ORG/DONATE

MEET REBECCA

House of Hope Ambassador

If you've ever visited House of Hope – SERV's children's home and school in Lodwar – you remember Rebecca Akiru. Rebecca was one of the first children who came to live at House of Hope eight years ago. Her quick smile, English fluency and generous spirit are not easily forgotten. Now a 20 year-old young woman, Rebecca lives in her own room on the SERV campus, a time and place of transition from the children's dormitory into adult life.

"I feel so much responsibility. I need to take care of this place and keep it clean," she explains as she smooths a sheet over her bed. Soon, Rebecca will finish high school and be the first student from House of Hope, and the first person in her family, to graduate high school.

"House of Hope is a place of happiness and security. I know that when I am home, there is nothing that will happen to me."

STAFF SPOTLIGHT

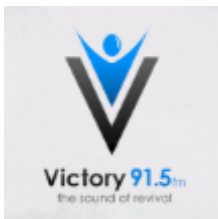

ROBBIN STEWART
Office & Accounting Manager

Since 2009 I have worked for Steve Kasha, founder of SERV. I have over 30 years' experience in business administration and entrepreneurship. I oversee the accounting and financial areas for SERV. In addition, I communicate with donors and supporters. I love ringing the bell when we receive new donor donations and child sponsorships. It delights my heart and I'm filled with much joy to be a disciple for God, helping others.

When seeking employment, I wanted to work with an organization that was faith base, believe in miracles, touch the lives of others and have a purpose. This is why I'm at SERV.

Outside of SERV, I enjoy spending time with my husband, 4 grown children, their spouses, 4 grandchildren, and our furbaby Lulu. In my spare time I love reading, hiking, walking, boating, camping, music, antiquing, learning new things on life, entertaining and cooking gourmet meals. I'm a Georgia Native and reside in Cherokee County.
